LEARNING MORE CREATING CHANGE

Martin Mazinga is the National Programmes Coordinator of the Catholic Development Commission in Malawi (CADECOM), Caritas Australia's local partner.

Martin and his team at CADECOM ensure that Caritas Australia's programs create meaningful and sustainable development opportunities for the most marginalised communities. With a focus on food and water security, Martin's work tackles inequality at its roots, empowering people to develop livelihoods, earn an income, to learn new skills and access education.

Notre Dame warmly invites you to the launch of Project Compassion 2016, featuring a conversation with Martin Mazinga from Caritas Malawi.
