Suggestions to use a Book Club Framework to discuss Catholic Social Teaching (CST)

- (1) Within your parish – promote through the parish bulletin & website
- (2) Within a parish zone hub – for greater collaboration
- (3) Within your workplace agency and/or
- (4) Within your family

*So, if anyone is in Christ, there is a new creation:
everything old has passed away; see,
everything has become new!*

Corinthians 5:17

Considerations:

With Jesus central to our thoughts, feelings and actions (head, heart and hands), and through a process of prayerful discernment, we are called to 'read the signs of the times' through the See-Judge-Act process: That is, we are called to See with the eyes of Jesus; to Judge (or Assess) a situation or issue with the heart of Jesus; and to Act as Jesus would today.

- Setting the Scene (1)
- Getting Started (2)
- Reading the Signs of the Times (3)
- Social Justice in Other Parish Ministries (4)
- Strengthening Your Group (5)

Questions/Reflections - for discussion:

- What Scriptural references resonated strongly with you? Why do you think?
- What quotes, statements or actions inspired or challenged you? Why do you think?

Read and reflect on the JEDO resources for **PSJAGs to Zone Hubs**:

- Collaborative Social Justice Action (6)
- Missionary Discipleship (7)

Questions/Reflections – for discussion:

- What Scriptural references resonated strongly with you? Why do you think?
- What quotes, statements or actions inspired or challenged you? Why do you think?

At the CST discussion group - using a book club framework:

1. Begin and end the session with a prayer (share this role each session)
2. Welcome and introductions (consider ice-breakers and/or energiser activities) – share the leader role
3. Identify shared values and expectations (this could be done as an activity - have a scribe to note these)
4. Outline ground rules (based on shared values such as dignity and respect – have a scribe to note these)
5. Outline and discuss key Catholic Social Teaching (CST) and Thinking Principles
6. Consider the resources and books to explore collectively through the lens of faith
7. Have various Bibles available for Scriptural reflection and discernment of the Word to discuss and ‘read the signs of the times’

choosing gratitude until we are grateful; and praising God
until we ourselves are an act of praise”*

Ways of Working Together:

- Prayerful
- Reflective
- Co-operative & Collaborative
- Listen Attentively
- Respond/Share Respectfully
- Encourage Participation from All (but respect boundaries)
- Discourage One Speaker Domination (unless the session leader)
- Leave Space for Contemplation/Silence

Considerations:

Questions for Reflection/Discussion:

- What do people often say are the characteristics of a Christian/Catholic? What do you think?
- What is the Holy Spirit asking of us/you at this time?
- What are you looking for in the Church in Australia? Is it to be more inclusive and welcoming; joyful/engaging; missionary; pastoral; prayerful and discerning; synodal?
- How can we ensure Jesus is central to our thoughts, feelings and actions?
- How can we keep our faith ‘ever new’?
- How can we better incorporate Catholic Social Teaching and Thinking into our lives?
- How can we better accompany and support those who are vulnerable and marginalised?
- How can we better recognise the inherent dignity and worth of everyone – including those considered different or ‘other’?
- How can we be service and justice-focused?
- How can we be better recognised as people of faith, gratitude, passion and hope?

and you will set the world on fire”*

*“God does not look at the action but the spirit motivating it;
and He will judge and reward us accordingly”*

Catherine McAuley

Considerations:

Possible Prayers:

- **Prayer of St Francis of Assisi** – Lord, make me an instrument of Your peace
- **The Prayer of St Oscar Romero**
- **A Prayer for Our Earth** – Pope Francis (*Laudato Si'*)
- **Social Justice Statement Prayers** (via ACSJC website)

Ice-breaker Activities:

- **Introductions:** (1) Attach an adjective that characterises you to your name e.g.: generous Gina; helpful Harry; funny Fred; joyful Jenny etc (go around the group – use these at the whole session for the Book Club gathering/conversation if possible)
- (2) Sit next to someone you haven't met before – tell them your name, favourite colour or song; and some hobbies – both share and then report back to the group about the person you've just met – introduce your new friend to the group (sharing their interests)
- (3) Seating plan (preferably in a circle) – ask people to seat themselves down alphabetically according to their name or sequentially according to the month of their birth etc.

Energiser activities:

- Have various (1) *quotes* (e.g.: from saints or faith leaders; on leadership or values) or (2) *prayers* placed around the room and ask people to get up and stand next to the one that (a) resonates or (b) challenges them the most – explain why (share with the person next to you or the whole group); then return to your seats and continue the session.
- Go outside to a garden if possible (preferably with a partner) and explain/share what lifts your spirits from nature/creation (e.g. a rainbow; or sunny day; butterflies; flowers etc). This can be shared with the larger group if wanted. Return to your seats and to your Book Club.
